MISSION STATEMENT

We seek to inspire in our students a love of inquiry, a sustaining faith, and a generous spirit open to ideas, peoples of the world, and a call to service. At our Episcopal school, students discover who they are as learners, leaders, and friends. We create a welcoming community encouraging each individual to grow in confidence, compassion, and character, grounded in the knowledge that each is a child of God.

INCLUSION STATEMENT

St. Martin's Episcopal School seeks to embrace and promote diversity among our students, faculty, administration and trustees. Our learning community recognizes and respects the diversity of our society; we provide our students with opportunities to gain exposure to a multicultural curriculum that celebrates individual differences. LETTER FROM THE INTERIM HEAD OF SCHOOL

Dear St. Martin's Community,

Challenges present important opportunities for learning and growth. In 2020 and 2021, COVID challenged parents to look past assumptions, habits, and routines. Meanwhile COVID challenged St. Martin's to clarify and reaffirm the fundamental tenets of our educational program.

A St. Martin's, education is not merely academic content: the 3 R's of the 19th century. Our 2021 world needs more: Respect, Responsibility, and Relationships with others--none of which are available through distance learning in a virtual classroom.

As COVID closed schools around the world, SMES was thoughtful and nimble finding a way to carry on. Through proactive precautions and excellent communication, our small community rallied to preserve the integrity of the SMES learning process, predicated on respectful interactions in a community of shared values.

The outside community heard about what was possible in a small, independent school that could not be achieved in larger environments and joined us. In search of normalcy, parents discovered something extraordinary. A school can elevate perspectives and that children can be happier as a result.

We are thankful for the support of all the parents, past-parents and friends that allowed St. Martin's to reaffirm the centrality of interpersonal relations between caring, committed teachers and families in a school that appreciates everyone's unique strengths. Although much has recently changed in the world and St. Martin's, our school continues to inspire students to learn with Confidence, serve with Compassion, and lead with Character.

Gratefully,

Charlie Sachs

MUSTANG FUND

St. Martin's Mustang Fund is our annual giving program and the highest financial priority for the school each year. Gifts to the Mustang Fund make an immediate imprint on each student. With tuition insufficient to cover all of operating costs, the school relies on gifts from parents, grandparents, alumni and friends to join with tuition, enabling programs and opportunities that impact all students and teachers.

Gifts of all sizes support nearly every aspect of our school: teacher salary increases, professional development, academic enrichment, arts and theater programs, athletics, facility improvements, and technology, to name a few. Your gift to the Mustang Fund is an immediate investment in our school, allowing St. Martin's to develop each student to learn with confidence, serve with compassion and lead with character.

CHARTING OUR FUTURE

The Charting Our Future Campaign was kicked off in 2017 to commemorate the School's 60th anniversary. The result is a new 7,000 square foot educational facility, providing students and teachers with a modern setting and resources to pursue their learning, while fostering a sense of achievement for the entire school. Two large classrooms accommodate hands-on science and art, while four classrooms allow for vigorous and interactive learning. This addition was instrumental in giving St. Martin's the space to grow to 227 students during the 2020-2021 school year. All gifts to this milestone campaign have made an important difference to the success of our students and our school!

2021 MUSTANGS & MEATBALLS VIRTUAL FUNDRAISER

Our Mustangs & Meatballs virtual spring fundraiser was the first of its kind for St. Martin's. With over 200 tickets sold, our guests enjoyed a COVID-friendly evening at home with an Italian dinner basket including a spaghetti dinner, dessert, wine, commemorative wine glasses, and more. The evening entertainment was provided by our very own Mustangs, performing in the pre-recorded St. Martin's Variety Show.

During the event intermission, our live appeal was announced, with plans to provide technology upgrades for our students and teachers in the 2021-2022 school year. The excitement and momentum created resulted in over \$23,000 raised for brand new laptops and iPads.

We are incredibly grateful to John and Anne-Marie Poulton for their generous \$9,000 matching gift to drive donations for our technology appeal. We also extend a huge thanks to our event Chairperson Colleen Baldwin and the event Executive Committee: Kelly Austin, Leslie Dogan, Danielle Dupcak, and Christine Hickey, for their tireless hours coordinating this one of a kind event. We also thank Tracy Alexander, Johnathan Bright and Josee Molavi for producing a wonderful variety show in which our students participated.
