

ST. MARTIN'S *-in-the-field* EPISCOPAL SCHOOL

Summer Academic Refresher/Tutors

Does your student need an academic refresher? Perhaps they're looking to sharpen their skills in a particular subject? Do they desire a little extra prep for the next grade level? Maybe they want to keep the momentum going so that they'll be prepared for the 2022-2023 school year?

We are pleased to share contact information for several of our teachers who are offering tutoring services this summer. Families should contact the appropriate teacher directly via email to make arrangements for scheduling and payment.
