

**HOST A PARTY!
DONATION FORM**

Sign-up Parties are a fun way to connect with your St. Martin’s community while supporting the school at the same time! These parties are hosted by parents who come up with a theme, time, and location – fellow St. Martin’s parents sign up for a fee and the proceeds go directly to the school. Consider co-hosting with other parents to share the work and costs.

Get creative!

Party ideas for adults: dinners, cocktail parties, cooking classes, guided art tours, learning a craft, local area field/day trip. Beer-bike progressive party! Summer Reading List with local bookstore owner!

Party ideas for kids (options include by grade-level or division): sports parties, bowling, cooking/baking lessons, arts & crafts, tea or gingerbread house parties, movies nights, and more!

Sign-Up Parties initially become available during the auction and are open until they fill up or until the event date. Parties will take place anytime between April 2024 and December 2024. **If you can host just one fun event – big or small – it would add so much to our community!**
