With Ms.
Simmons

SAILING AWAY IN STEM

Using a variety of materials, students will build a hand-sized sailboat and put it to the test!

-  Will it float?
-  Can it hold weight?
-  Can the wind push it?

Join Ms. Simmons for this exciting STEM challenge and see if your boat can sail the high seas!

Details:

- ✓ Friday, May 2nd / 3:45 - 5:00 p.m.
