Some of our programs are offered by our faculty and staff members, while others are provided by outside companies that have a relationship with our school. Please note that dates, times, and prices vary. The minimum enrollment for each program is six unless otherwise noted; the maximum enrollment varies by program. Story Telling Studio (*offered by The Drizzle Effect*)

Preschool & Pre-K

Tuesdays, April 1, 8, 15, 22, 29, May 6 (3:00-4:00)

At The Drizzle Effect, we believe storytelling helps people of all ages navigate “big situations” on their own – especially children. Using our imagination to create enables us to slow down and get our ideas in order, making it a natural segue for helping children learn strategies to speak up, speak out, and simply be more creative in communicating effectively. In our Storytelling Studio, former St. Martin’s teacher Danielle Gibbons will guide children as they explore and organize their ideas through books and art while building communication skills. **\$100 / + \$15 Supply Fee / Min # of students: 4; Max: 10**

Mini Monets (*offered by Artworks Studio, instructor: Ms. Lisa*)

Preschool & Pre-K

Wednesdays, April 2, 9, 23, 30, May 7, 14 (3:00 – 3:45)

Designed to bring out the big artists in your little ones! The projects we will work on during this club will help develop problem-solving skills, refine motor skills, and build self-confidence. The various art projects students will complete include painting, sculpture, and mixed media. Each activity provides your child with a hands-on, creative experience and a great work of art to take home. (*FYI, if we have more than 10 students registered, we will be looking for a parent volunteer to help*). **\$100 + \$10 Supply Fee / Min # of students: 6; Max: 12**
