

Difference Makers

Step Up. Serve Others. Lead the Way.

Are you ready to **step up, take the lead, and make a real difference** in your school, your community, and beyond?

Difference Makers is looking for students like YOU!

Difference Makers is more than just a club. It is a **student leadership and service organization**.

This year is especially exciting because **you have the opportunity to help build Difference Makers at St. Martin's!** As one of our early members, you will help shape our traditions, choose service projects, develop new ideas, and create a program that can continue to grow for years to come.

★ What Do Difference Makers Do?

As a Difference Maker, you will have opportunities to:

- ❤️ **Serve others** through meaningful projects at school and in the community.
- 💡 **Turn your ideas into action** by helping plan projects and activities.
- 🤝 **Work as a team** with students who want to make a positive impact.
- 🌍 **Make a difference** locally, nationally, and even internationally.
- 🗣️ **Develop leadership skills** by planning, organizing, communicating, and serving.
- 🎉 **Have fun** while doing something that matters!

★ Our Mission

Difference Makers strive to:

- Practice and promote good citizenship at **home, at school, and in the community**.
- Demonstrate high standards of **scholarship, character, and conduct**.
- Serve people in need **locally, nationally, and internationally**.
- Develop leadership through **unselfish service to others**.
- Encourage a positive attitude and a willingness to help.
- Support, encourage, and uplift others.
- Look for problems in our community and ask, **"What can we do to help?"**

★ We Need YOU!

The success of Difference Makers depends on students who are willing to bring their **ideas, energy, creativity, compassion, and leadership** to the group.

You don't need to have all the answers.

You simply need to be willing to **show up, get involved, help others, and make a difference**.

JOIN US!
