Eco Trekkers

Preschool & Pre-K: *Fridays, September 25, October 2, 16, 30, November 6, 13 (3:00-3:45)*

Grades K – 4: *Fridays, September 25, October 2, 16, 30, November 6, 13 (3:45 – 4:45)*

\$108 + \$20 Supply Fee = \$128 total

Join us for the Eco Trekkers program, where children will participate in six fun-filled hands-on sessions exploring the wonderful world of nature with activities, live animal interactions, games, and more! Explore the unique and interesting world of animals, discover what is just outside our doors, and learn how to train our wonderful animal friends. The weekly themes for the fall session will be about taxonomy with each week bringing a different category. One week will be “Marvelous Mammals” and another week will be “Beautiful Bugs!” Join Eco Trekkers to see what other category of animals that will be coming to us!

Eco Adventures is an **Education, Enrichment, and Conservation organization** located in **Millersville, Maryland** that offers hands-on environmental education to people of all ages.

Our Facility, Our Staff & Our Animals Hands-on Environmental Activities for Kids

Welcome!

Owned by Nat Geo's herpetologist/personality/book author-Dr. Brady Barr and marine biologist wife-Mei Len Sanchez-Barr, Eco Adventures provides a variety of hands-on conservation programs in hopes to inspire young conservationists. Part of our mission includes housing many rescued and misplaced animals. Eco Adventures houses over 100 native and exotic animals on display and as animal ambassadors. Our one of a kind facility features a simulated rainforest full of animal exhibits and a glowing volcano, an "Underwater Pier" discovery room, an outside sluice and fossil Dig, and an outside field and classroom (Pixie Hollow) that neighbors the Severn Run Wildlife Area – 1700 acres of pristine wilderness! With each visit, you will notice something exciting and new: new animals, new exhibits, new themed decorations- and friendly and knowledgeable staff! It is our pleasure to offer extraordinary experiences in hopes to connect the public with nature! So go ahead... Experience the Extraordinary!

Please register by Thursday, September 24th @ 6 PM via our website: <https://stmartinsmd.org/community/clubs-activities/>
