

CONFIDENCE | COMPASSION | CHARACTER

We offer after-school clubs and activities for all Preschool and Pre-K students starting at 3:00 PM and all Kindergarten through 8th Grade students starting at 3:45 PM. Members of our faculty and staff offer some of our programs. Others are provided by outside companies who have a relationship with our school. *Please note that dates, times, and prices vary.* Minimum enrollment for each program is six unless otherwise noted; maximum enrollment varies by program. Please contact our Director of Auxiliary Programs, Andrea Kopf, with any questions (akopf@stmartinsmd.org).

Tennis Basics (TGA)

K – 8th Grade

Mondays, September 28, October 5, 19, 26, November 2, 9 (3:45 – 4:45)

TGA has developed a program curriculum designed to develop the next generation of young players' skills and passion for the game. We teach and develop the fundamentals: grip, forehand, backhand, volley, and serve. We use equipment and courts tailored to the size and ability of young players making it easier for kids to hold, swing, and connect with the ball. This club is perfect for beginners excited to learn the basics of tennis in a fun and supportive setting! Through engaging games and age-appropriate drills, students will work on fundamental skills like hand-eye coordination, basic strokes, and footwork. Our friendly coaches focus on building confidence, teamwork, and a love for the game. Ideal for Kindergarten through 8th grade students, this program is all about having fun while learning the foundations of tennis!

Braveheart Run Club (Sarah Clark, Certified Run Coach)

2nd – 8th Grade

Mondays, September 28, October 5, 19, 26, November 2, 9 (3:45 – 4:45)

Braveheart Run Club believes that kids can do hard things! The instructors will lead 2nd-8th grade students through running games and drills that help build their strength both physically and mentally every time they meet. The goal each session is empowerment on and off the field. “Our program is designed for kids who enjoy running and want to improve by setting an actionable goal and working toward it. Through the process, we will also work on your children’s running form, strength, speed, cadence, stride, posture, and attitude, which benefits them in all aspects of life!” This would be a great compliment to the fall MS XC team or anyone who wants to improve their running skills whether to help them with a sport, for exercise, or just to run for fun!
