Soccer Shots Classic utilizes creative and imaginative games to focus on basic soccer skills like dribbling, passing, and shooting. We also highlight different positive character traits in each session, such as respect, teamwork, and appreciation. We create a positive, non-competitive environment where every child can learn and grow – all while having tons of FUN! Our goal is to instill a love for movement and build healthy habits that extend far beyond the soccer field. Sign up today to get your child's foot on the ball!
